1. These petitions impugn an order dated 6.2.2006 which has been passed by the revisional Court. It appears that matter was mentioned for being brought on the board though by an earlier order the Court had already dismissed revisional application for non removal of office objections. In my view, the proper procedure would be to make written application for re-call of the order of dismissal. With liberty

to make such an application, petitions are dismissed. I am informed that the matter is before the trial Court tomorrow. The same may not be proceeded with for a period of one week.
